

All equipment, tournaments, assistant coaches and officials for meets are paid through fundraising efforts. Because of how time consuming fundraising is, the coaches and parent's organization have requested a suggested donation of \$225.00.

The donation is considered tax-deductible. In addition, we request that each family help out by volunteering in the snack bar and donating materials to the snack bar such as water, Gatorade and/or soda early in the season to stock it up.

It is the hope and anticipation of the Coaches and the Aquatics Board that by minimizing fundraising activities, the coaches, parents and athletes can devote their time to more enjoyable activities. Please contribute to make this season the most successful yet!

All athletes are required to wear the appropriate Team Shirt on game days.
